**Subject: Call for Applications to Participate in the
14th Asia-Pacific Training Workshop on EIU (APTW)**

Dear Ms. Lucy Moala-Mafi,

On behalf of the Asia-Pacific Centre of Education for International Understanding (APCEIU), I would like to extend my warmest greetings to you.

It is my great pleasure to inform you that APCEIU will organize the **14th Asia-Pacific Training Workshop on EIU (APTW) from 21-29 August 2014 in the Republic of Korea**. The workshop aims to provide **professionals in the field of teacher education** with knowledge and skills to promote education for peace and sustainability. It will also strengthen participants' professional capacity in designing and carrying out training programmes in their local contexts.

I am pleased to invite you to recommend qualified applicants from your country to attend this year's workshop. Due to the limited number of participants that we can accommodate, the screening committee composed of international experts on EIU will review the submitted applications and select the participants.

APCEIU will provide all the workshop-related costs including accommodation (on shared basis), meals, workshop materials, and field trips during the workshop period. Due to the limited funds to support the travel expenses of participants, the selected participants are expected to cover their own airfare. However, for the applicants who are unable to fully cover international travel cost by themselves, APCEIU may provide (partial or full) sponsorship of the airfare. Please also note that APCEIU will not provide any daily allowance. As for details on application processes, please kindly refer to the General Information and Application Form enclosed herewith.

Completed application forms need to be sent to APCEIU Education and Training Team by E-mail ent@unescoapceiu.org or FAX 82-2-774-3958 **no later than 15 May 2014**. If not inconvenient, please send a cover letter, indicating the number and name of the applicants, along with these.

Once again, we thank you for your cooperation and continuous support. I look forward to receiving a positive response from you.

Yours Sincerely,

CHUNG Utak
Director
